There will be on-site registration for ASUSA, however, it is strongly suggested that you become a member of ASUSA prior to the games. To register online visit [www.adaptivesportsusa.org](http://www.adaptivesportsusa.org).

**Classification:**

All first year competitors will need to be classified prior to competition. Provisional classification will be available between 8 am and 4 pm on May 17, 2019 to give a temporary classification. To schedule classification times contact Kim Aquino 843-724-2811 or email [Kim.Aquino@rsfh.com](mailto:Kim.Aquino@rsfh.com)

**Transportation**

Competitors, coaches, and visitors are responsible for their own transportation.

**Lodging:** Housing is available on Clemson's campus in the Douthit Hills dorms. On-campus housing is arranged in wheelchair accessible apartment-style dorms, which are 4 bed/2 bath units, with a single bed in each room (you'll receive a key to the room). If you are traveling to the Games as an individual athlete and are interested in the on-campus housing option, we will group you with other same-gender athletes in the apartment unless you indicate otherwise via

email. **The cost is \$30 per night, per person/bed** and the rate will be added to your registration fee. Based on cost, this option is most ideal for individual athletes, rather than families, as the group rates are more economical for related groups. A light breakfast will be provided by the local organizing committee in a common area of the dorms on Saturday and Sunday mornings. Check-in for on-campus housing is requested BEFORE 5 pm, unless otherwise arranged.

**Water:**

Bottled water will be available. The head of each team/delegation should plan to bring **shade tents for their individual teams**. The local organizing committee does not have the resources to purchase these items for each team.

**Honest Effort: The Honest Effort Rule** will be in effect for the SEWSA Games. In other words, if the Officials and Director determine that an athlete intentionally missed an event without scratching the night before and does not have a medical reason for scratching, he/she can be disqualified from all remaining events in that sport.

**Sports Rules:** The rules in the Adaptive Sports USA rulebook and each US NGB will be enforced during all events. All competitors are expected to know the rules of each sport in which they compete as this is a sanctioned event.

**Equipment:** It is **HIGHLY** recommended that you bring your own equipment, if available (field implements, archery equipment, air rifles, track chairs, helmets, etc). The use of local

organization equipment is **VERY** limited and will be assigned on a **FIRST COME FIRST SERVE BASIS**.

**Swimming:**

Fike pool will be set-up as a deep water six lane 25 M course with hand timers. During the course of the meet there will be two deep water lanes available for pool entry and exit, as well as warm-up or cool-down. Locker room facilities are available, but swimmers must provide their own locks. **Swimmers under the age of 18 must be accompanied into the locker rooms by a parent/guardian or caregiver.** Southeast Wheelchair Sports Association and Clemson University are not responsible for lost, damaged, or stolen property.

**Archery:**

Adults shoot 50 meters, 36 arrows total and then 30 meters with 36 arrows total (6 arrows 6 times for a total of 36 per distance). **Some archery equipment is available, however, the amount is limited and on a first come first serve basis.**

**Track & Field:**

Our track competition will not be a Level 3 sanctioned event, as our track is not approved by USAT&F. You must bring your own track chair to the competition, as we do not have any loaner equipment. Helmets will be required for all track events, and athletes will be expected to bring their own. Some throwing chairs will be available, but bring your own if you have it.

The air rifle competition will occur in two relay heats. Please indicate your preferred heat on the registration form. Competitors must arrive 15-30 minutes early for their heat. Please bring your own rifle, as rental equipment is not available.
